

Vince Farrelly

Dear Vince:

On behalf of the staff, volunteers and clients of the Gay Life program of the San Francisco AIDS Foundation, thank you so much for donating your time and talent toward the creation of the Gay Life awareness bus shelters.

The campaign is beginning to appear around the city, specifically in the Castro and South of Market areas as well as Muni Metro underground stations. The response to it has been overwhelmingly positive. You did a great job for us and we are grateful.

Sincerely,
